

The Senator II HD IC

Engineered for Versatility

The Senator II HD IC is engineered to accommodate a variety of seating arrangements including wheelchair accessibility and numerous storage options for luggage. The roomy driver area allows for easy maneuvering in and out of the driver's seat and increased visibility for the driver. Finally, whether it is the forward-tilting hood for ease of maintenance or the air suspension driver's seat for a better ride, the Senator's International chassis beats the competition hands-down. Choose the Senator II HD IC...quality, inside and out.
