

## The Senator II MVP

### Small Bus, Large Capacity

The Senator II MVP offers the most capacity available on a Ford cutaway. The MVP offers 24 plus rear luggage or 28 passenger floorplans, giving you the people-moving capacity and storage availability you desire without having to purchase a larger bus. Whether you are being shuttled around town or traveling longer distances, the Senator II MVP provides the safety and durability you demand via its fully welded steel cage construction. So, whether it's capacity, safety or durability that drives your next purchase, the Senator II MVP from StarTrans Bus delivers.
